### AN OPEN LETTER

#### **Persecution within Buddhist communities world-wide: a request to everyone**

Dear Everyone,

With this letter we the Western Shugden Society would like respectfully to request you to use your influence to help millions of Buddhist practitioners of the Buddhist Deity Shugden who are presently suffering religious persecution perpetrated by the Dalai Lama of Tibet. We request you please to ask the Dalai Lama to stop this persecution and religious discrimination.

For his own political ends the Dalai Lama is persecuting Buddhist people who practise this Deity. Most people around the world believe that the Dalai Lama is a compassionate man of peace, but the hidden reality is that, because of the high regard in which the ancient title is held, the Dalai Lama is actually now a dictator who is systematically causing immense suffering to millions of innocent people throughout the world. His actions banning the practice of Shugden and persecuting practitioners blatantly contravene the United Nations Universal Declaration of Human Rights on several counts.

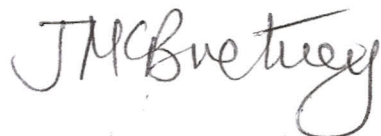

The book *A Great Deception*, published by the Western Shugden Society, is a revelation of the Dalai Lama's great deceit. The purpose of the book is fourfold:

- to liberate from this persecution the millions of innocent Buddhist practitioners of the Deity Shugden, and their families;
- to restore peace and harmony between Shugden and non-Shugden practitioners within Buddhist communities world-wide;
- to re-establish the common spiritual activities of all Shugden and non-Shugden practitioners; and
- to free Buddhism from political pollution.

Please may we encourage you to come to understand the real nature of the Dalai Lama of Tibet by reading this book *A Great Deception*. We believe that you will then be able to help the innocent people presently experiencing his persecution. Please download *A Great Deception* as a free e-book from the Western Shugden Society website.

The Western Shugden Society is also making requests to world leaders to help release these innocent people from the suffering caused by the religious discrimination of the Dalai Lama. Please see the attached letter that has been sent to the British Prime Minister, Foreign Secretary and Home Secretary.

Yours sincerely, with thanks,
